

**Shri Dharmasthala Manjunatheshwara Ayurveda college and Hospital
Kuthpady .
Diamond Jubilee year 2018**

To commemorate diamond jubilee year SDM College of Ayurveda and Hospital has planned conduct series of continuing medical education programs for practitioners of Ayurveda.

The CME series is organized under two packages 1] 12 hours of interactive and demo sessions in two days [**Karma abhyasa**] and 2[6 hours interactive program in one day[**Tantra arthopasana**].

The details are as following

Karma abhyasa series

The program is aimed at bridging gap between the practitioners and the institution . It gives an opportunity to the practitioners to refresh their academic potentials

- 1]The number of delegates for each session is limited to thirty members.
- 2] The delegates are requested to identify the area of their interest in the form of questions. The faculty of concerned departments will process the queries and prepare the program capsule in the form of clinical experiences, live demo etc.
- 3] The delegation fees is Rs 1000. The Breakfast and lunch will be provided by the organizers. Delegates have to arrange for stay and conveyance on their own. Organizers may assist in booking hotel rooms on prior intimation.

2 Tantra arthopasana seies

The aim of the program is to disseminate the knowledge base developed in the hospital to the practitioners and though them benefit the suffering humanity

- 1] The number of delegates is limited to 30 for each session.
- 2] A theme for the session will be selected based on the inputs from practitioners and program capsule is formed in collaboration with concerned departments.
- 3] The program will be 6 hours session of live demo and presentations by the faculty
- 4] Delegation fee is Rs 600. Breakfast and lunch will be provided by the organizers. Delegates have to arrange for stay and conveyance on their own. Organizers may assist in booking hotel rooms on prior intimation.
